Jessie M. Roberson  
Assistant Manager for  
Environmental Restoration  
DOE/RFFO

TRANSMITTAL OF THE DRAFT PROPOSED PLAN (DPP)/DRAFT RESOURCE  
CONSERVATION AND RECOVERY ACT (RCRA) PERMIT MODIFICATION (DRPM)  
FOR OPERABLE UNIT (OU) 15, INSIDE BUILDING CLOSURES, TO THE  
DEPARTMENT OF ENERGY/ROCKY FLATS FIELD OFFICE (DOE/RFFO) - SGS-051-95

Action: Review and comment on the DPP/DRPM by DOE/RFFO.

The purpose of this letter is to transmit the DPP/DRPM to DOE/RFFO for review and  
comment. This deliverable is in support of the Interagency Agreement schedule for submittal  
to DOE/RFFO. Please provide any comments on the attached Comment Review forms.

This draft version of the Proposed Plan complies with the Institutional Controls approach as  
agreed to by DOE/RFFO, the Colorado Department of Public Health and Environment, and  
the Environmental Protection Agency during discussions on January 5, 1995 and restated in  
the OU 15 Final Phase I RCRA Facility Investigation/Remedial Investigation approval letter.

The development of the DPP/DRPM was directed toward the general public. For this reason,  
the technical detail was discussed at a level such that an average citizen could understand  
the discussion. Upon development of the Draft Proposed Plan and subsequent Record of  
Decision/Corrective Action Decision documents, the technical detail provided will increase to  
adequately address all required information.

If you have any questions regarding this correspondence, please contact Rich Ray at  
telephone extension 8557.

S. G. Stiger, Director  
Environmental Restoration Program Division
